2. In the case of Govt. medical Subordinates lent to local bodies, the Govt. pay of Salaries in this form instance and therein recovered from the local bodies in the shape of contributions. According to

(E) proviso to Cno 1684 PH dt 10-10-23 a contribution was being received from the Bd on account of pay of medical Subordinates. Now under this Cno. these contributions will not be received from the Bd from 1st Sept. 1923. This is in effect the same as giving a

grade. The creation is to be allowed merely for accommodating officers as the Bd has already provided in rule for their salaries. The necessary post can be explained by the Pt work.
